

Pest Control Log

Agency/Site Name:			
Date	Initials	Notes/Actions	Follow up Needed

Tri-State Food Bank Pest Control Requirements:

- *Must be conducted at least once quarterly by a professional or in-house.
- *Food preparation sites should perform pest control once monthly (follow local health department guidelines).
- *If using a professional service, sites must keep receipts/service reports on file.
- *If pest control is conducted in-house, sites must keep a pest control log.
- *These records should be kept on file and accessible at the site for 3 years plus the current year.
